**(SCHMIDT HAMMER)**

---

**C3295**

## PRODUCT MODEL

C3295	Digital Concrete Rebound Hammer (Nd Type)
-------	-------------------------------------------

## STANDARDS

Standards	EN 12504-2, 13791   ASTM C 805   BS 1881:202   NF P18-417   DIN 1048   UNI 9189
-----------	---------------------------------------------------------------------------------

## INFORMATION

Manufacturer	TESTMACLAB LABORATUVAR TEST CIHAZLARI PAZ. VE DIŞ TIC. LTD. ŞTİ
--------------	-----------------------------------------------------------------

Country of Origin	TÜRKİYE
-------------------	---------

Product name	Digital Concrete Rebound Hammer (Nd Type)
--------------	-------------------------------------------

## DESCRIPTION

The Digital Concrete Test Hammer (ND Type) is suitable for concrete structures and buildings, having finished Resistances strength.

The main unit and the sensor are integrated in a portable design. It has a 2 inch high resolution color LCD screen.

The high capacity rechargeable Lithium battery is equipped with a contactless sensor for high precision and a sound alarm with a splash.

Provides easy printer report preparation. It will automatically delete unacceptable values and calculate results. The recorded information can be transferred to the computer via Usb port.

### Advantage:

- 2.0inch HD color screen
- Automatic display of mean and intensity
- Direct charging of lithium battery
- Connect to the PC terminal to transmit data
- Wireless Bluetooth printing function
- Stainless steel probe
- High-end spring

## TECHNICAL SPECIFICATIONS

Impact Energy	2.207J (0.735Nm)
Rigidity of Tension Spring	7.85N/m
Average Value of Steel Anvil	80±2
Display	2.0inch (220×176 pixels)
Storage Capacity	2000 pcs, 640 thousand data
Power Supply	3.7V Lithium battery, 1050 mA.
Port	USB (update type Bluetooth and WIFI)
Weight	1.1 kg
Dimensions	150x62x39 mm

## THANK YOU

### FOR CHOOSE US

Dear business partners, thank you very much for believing in us and recommending our products to your customers; We sincerely believe that our company will grow even more thanks to you, our esteemed business partners.

You can reach us than our phones or e mail address 24 hours a day.
