INFORMATION

| | |
|-------------------|---|
| Manufacturer | TESTMACLAB LABORATUVAR TEST CİHAZLARI PAZ. VE DİŞ TIC. LTD. ŞTİ |
| Country of Origin | TÜRKİYE |
| Product name | Pan Type Concrete Mixer |

DESCRIPTION

The Pan type concrete mixers are used for efficient mixing dry and wet of concrete materials essential if quality specimens.

Machine is manufactured for use in the laboratory environment. concrete mixers are used for mixing of the mixing pan is tilts 135° for easy emptying after completion of the operation.

Testmak C3500/56 model mixer's total volume of the pan is 100 liters but the effective capacity of the mixer is 56 liters.

Testmak C3500/130 model mixer's total volume of the pan is 130 liters but the effective capacity of the mixer is 110 liters.

The mixer has 3 type mixing blades. The blades can be adjusted to suit the different types and volume of materials to be mixed. The Pan type concrete mixer can be moved by rubber wheel. The gearbox is produced as parallel to floor for the motor to protect.

What is a pan type concrete mixer?

Pan type concrete mixers are designed to give efficient mixing of both dry and wet materials. The mixing pans are removable and tilts for easy access to the pan and emptying on completion of the mixing operation.

Advantages

- Thanks to numerous mixing arms, a homogeneous mixture can be obtained in a short time.
- Concrete pouring time is short and easy.
- It is easy to maintain and clean.
- Due to its height, it can be used comfortably in the laboratory environment.

TECHNICAL SPECIFICATIONS

| P.Code | C3500/56 | C3500/130 |
|---------------------------|---------------------------|---------------------------|
| Pan Capacity | 100 Litres | 130 Litres |
| Effective Mixing Capacity | 56 Litres | 110 Litres |
| Dimensions | 1000x1100x1200 mm | 1100x1200x1350 mm |
| Weight | 250 kg | 370 kg |
| Power | 220-240V 50/60Hz - 1500 W | 220-240V 50/60Hz - 2000 W |

THANK YOU

FOR CHOOSE US

Dear business partners, thank you very much for believing in us and recommending our products to your customers; We sincerely believe that our company will grow even more thanks to you, our esteemed business partners.

You can reach us than our phones or e mail address 24 hours a day.
